#### REPEAT

/CHICAGO VARIATION: Dance begins on beat 5, with a foot pattern of RLL instead of RLRL, and putting beats 1-4 at the end of the dance. Also, replace the steps done on beats 19-24 with just three steps, which happen to be the steps shown above in beats 19, 24, and 23, in that order. To make the dance come out even, the hop on beat 36 is done twice instead of once.

/SHORTER VERSIONS: In some places, the dance is shortened to 38 counts by leaving out counts 20-21. In some places, the dance is shortened to 36 counts by leaving out counts 19-22.

/OTHER VARIATIONS: In fact, this dance has seen more local variations than probably any other dance. Other variations that have taken hold over the years in various places include toe taps instead of heel taps, touches to the front instead of the side, putting the 1/4 turn in at a different place, and starting at various places in the dance. If you travel to different places throughout the world, expect to see this dance done several different ways.
